What You'll Find on This Page
This page is organized into several sections that explain how the hospital plans to achieve seismic compliance across its campus. Each section presents a different level of detail, from high-level timelines to building-specific information.

Seismic Compliance Plan for 10214 Mercy Hospital

Status: Not Approved

This facility is indicating that it will demolish all general acute care buildings on this campus by 2030.

"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved because the plan does not include a sufficiently detailed path to resolve all areas of non-compliance . Additionally, the facility has not included enough information for the Office to determine if the facility is indicating it will be compliant with the March 1, 2026 and March 1, 2028 deadlines. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these comments, the Office is available to discuss any comments with the facility and to provide support in resolving the outstanding issues.
