What You'll Find on This Page
This page is organized into several sections that explain how the hospital plans to achieve seismic compliance across its campus. Each section presents a different level of detail, from high-level timelines to building-specific information.

Seismic Compliance Plan for 10537 Desert Regional Medical Center

Status: Not Approved

"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved. This facility reports that it will meet all applicable NPC deadlines and achieve seismic compliance by the January 1, 2030, deadline. However, the Office has determined that the Compliance Plan has insufficient details that must be addressed before approval can be granted. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these comments; the Office is available to discuss any comments with the facility and to provide support in resolving the outstanding issues.
