What You Find on This Page
This page is organized into several sections that explain how the hospital plans to achieve seismic compliance or address its concerns. Each hospital provides a different layout of data. Some hospitals include information on building specific information.

Seismic Compliance Plan for 10553 Palo Verde Hospital
Status: Not Approved
"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved because the facility is reporting that it will be non-compliant with the January 1, 2020 deadline. Even if the plan does not include a sufficiently detailed plan to resolve all areas of non-compliance. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these concerns; the Office is available to discuss any concerns with the facility and to provide support in meeting the outstanding issues.

Summary Schedule - Click to hide

Summary Schedule
This section provides a visual timeline for each building on the hospital's campus showing the reported plan for achieving seismic compliance. Milestones are represented by circles on the timeline. Hover over a circle to see additional details. All milestones and dates are reported by the hospital. HCAL has verified that a milestone was met. It is marked as met.
