Summary Schedule Legend

Compliance Type Tables - Click to Hide

Compliance Method:

Compliance Method:
This table lists each building on the hospital's campus and the method the hospital has reported it will use to achieve seismic compliance. Any comments or clarifications provided by HCA are included alongside the hospital's reported information.

Building Milestone Description Table - Click to Hide

Description of Milestones to achieve Islamic Compliance:

Description of Milestones to achieve Islamic Compliance:
This table shows detailed, building-level milestone information reported by the hospital. Each building may have up to ten milestones that describe the steps the hospital plans to take—and the timelines for taking them—to achieve seismic compliance. Any HCU comments on the reported milestones are included in the table.
