Compliance Method:
This table lists each building on the hospital's campus and the method the hospital has reported it will use to achieve seismic compliance. Any comments or clarifications provided by HCA are included alongside the hospital's reported information.

Description of Milestones to achieve Seismic Compliance:
This table shows detailed, building-level milestone information reported by the hospital. Each building may have up to ten milestones that describe the steps the hospital plans to take—and the timelines for taking them—to achieve seismic compliance. Any HCRU comments on the reported milestones are included in the table.

HCAI has not received an application for delay from this facility. Applications for a delay to the January 1, 2020 seismic compliance deadline under AB 969 were due on January 1, 2020 per 2025 CAC Chapter 6, Article 1, Section 1.5.2.

Other contact financially obligated for infrastructure improvements: **None**
