

Regulatory Deadlines per 2028 CAG Chapter 8, Article 1, Section 1.2.2:
March 1, 2028: Deadline to submit construction documents for NPPC 4102, NPPC 8, Demolition, and Removal of Acute Care Service projects
March 1, 2028: Deadline for permits to be obtained for NPPC 4102, NPPC 8, Demolition, and Removal of Acute Care Service projects
January 1, 2030: Deadline for all seismic compliance projects to be completed

This page is organized into several sections that explain how the hospital plans to achieve seismic compliance across its campus. Each section presents a different level of detail, from high-level timelines to building-specific information.

Status: Already 2030 compliant, no need to submit a compliance plan

This section provides a visual timeline for each building on the hospital's campus, showing the reported plan for achieving seismic compliance. Milestones are represented by circles on the timeline—hover over a circle to see additional details. All milestones and dates are reported by the hospital. [HCA's full plan](#) is available at [www.hca.wa.gov](#). It is posted on our

Summary Schedule Legend

Milestone	Mixed Milestone	Not Milestone
Critical Milestone	Mixed Critical Milestone	Not Critical Milestone

Compliance Type Tables - Click to Hide

This table lists each building on the hospital's campus and the method the hospital has reported it will use to achieve seismic compliance. Any comments or clarifications provided by HCA are included alongside the hospital's reported information.

Building Milestone Description Table--Click to Hide

Description of Milestones to Achieve Seismic Compliance:
This table shows detailed, building-level milestone information reported by the hospital. Each building may have up to ten milestones that describe the steps the hospital plans to take—and the timelines for taking them—to achieve seismic compliance. Any HCRU comments on the reported milestones are included in the table.
