

Regulatory Deadlines per 2028 CAC Chapter 8, Article 1, Section 1.8.2:
March 1, 2028: Deadline to submit construction documents for NPC 610; NPC 8, Demolition, and Removal of Acute Care Service projects
March 1, 2028: Deadline for permits to be obtained for NPC 610; NPC 8, Demolition, and Removal of Acute Care Service projects
January 1, 2029: Deadline for all seismic compliance projects to be completed

This page is organized into several sections that explain how the hospital plans to achieve seismic compliance across its campus. Each section presents a different level of detail, from high-level timelines to building-specific

Status: Not Approved

"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved because, although the facility is reporting that it will be compliant with the January 1, 2020 deadline, the plan does not include a sufficiently detailed path to resolve all areas of non-compliance. The buildings BLD-0216B, BLD-02170 and BLD-05197 are currently classified as SPC-2 and are not yet SPC compliant. No SPC-4D project record in HICAI database for these buildings. Please submit SPC evaluation and retrofit projects. Please provide a path for compliance to reach 2020 deadline. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these concerns, the Office is available to discuss any comments with the facility and to provide support in resolving the outstanding issues.

Summary Schedule - Click to Hide

This section provides a visual timeline for each building on the hospital's campus, showing the reported plan for achieving seismic compliance. Milestones are represented by circles on the timeline—hover over a circle to see additional details. All milestones and dates are reported by the hospital. IFHCA has verified that a milestone was met; it is marked as met.
