

This page is organized into several sections that explain how the hospital plans to achieve Islamic compliance across its campus. Each section presents a different level of detail, from high-level timelines to building-specific information.

"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved because the facility is reporting that it will be non-compliant with the January 1, 2030 deadline. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these comments; the Office is available to discuss any comments with the facility and to provide support in resolving the outstanding issues.
