Status: Not Approved

"Not Approved" indicates that the submitted Compliance Plan has been reviewed and is not approved. This facility reports that it will meet all applicable NRC deadlines and achieve seismic compliance by the January 1, 2030, deadline. However, the Office has determined that the Compliance Plan has insufficient details that must be addressed before approval can be granted. There is no NRC-5 project record entry for this building in the INCAI database. Please submit evaluation and retrofit projects. See the following comments. An amended Compliance Plan shall be submitted to address and resolve these comments; the Office is available to discuss any concerns with the facility and to provide support in resolving the outstanding issues.
